Apparently Eduardo knows him. Any thoughts re: setting up some relationship with SSPI. JASON said he just bought and sold 10k pounds of snapper.

Koji just texted they are in the car with Issac heading to QM. What a day. I am totally sick to my stomach. Any positive advice. I need support, feeling pretty isolated.

2	From: 4076206283	4/11/2015 4:17:21 PM(UTC-5)	Read	You are my friend, I know you like a brother and I know you are not that type of person. This crap too will be overcome. You have good support and friends with you and Paul is more than capable of anything legally that should arise which I truly feel won't.

He is going to talk to a few of his people with his Myanmar investment fund and see if he can get approval to use 4 million USD to purchase the 25% by end of May so I can start full steam to design and construct R&D facility.
